Tell us a little more about yourself and your child/ren

What are the three most important things to you when looking at an early learning and care centre?

[Redacted text area]

Every Child is unique. Tell us about yours

[Redacted text area]

Is there anything you are particularly worried or anxious about with your child/ ren starting at Little Bees?

[Redacted text area]

Would you like to share anything else?

[Redacted text area]

Thank you for taking the time to complete this form.

Notification of Personal Information Collection

This is the Notification of Collection Statement that Little Bees Childcare Burwood("Little Bees") is required to provide you at the time of obtaining your personal information.

Purpose

Little Bees collects and holds personal information about you and your child for the primary purposes of: providing early childhood education and care services; and advocating for the well-being, protection and development of children.

Sensitive Information

In some circumstances Little Bees may seek to collect personal information that is sensitive. This may include information such as your child's racial or ethnic origin, religious beliefs or affiliations, and your child's medical conditions, immunisation history and additional needs. We collect this information as it is reasonably necessary for ensuring the well-being, protection and development of children in our care.

For example staff may wish to develop an educational program that includes reference to a child's country of origin.

Little Bees will only collect your sensitive information with your consent and will ensure that it is stored securely. If you do not wish for your sensitive information to be collected by Little Bees, you should discuss this with the Centre Director.

Use and Disclosure

Little Bees will only use or disclose your personal information for the purpose it was collected or a reasonably expected or related secondary purpose. Personal information of parents, guardians and children is ordinarily used or disclosed for the primary purposes of: providing early childhood education and care services; and advocating for the well-being, protection and development of children; documenting children's learning; managing children's current or prospective enrolment; providing you with information about our organisation, services and activities via letters, email, sms and other centre or organisation communication channels; and requesting information from you about our organisation and services via surveys.

We may disclose personal information about you to:

- third party service providers, who assist us in operating our business. We will take all reasonable steps to ensure these service providers do not breach the Australian Privacy Principles.
- a purchaser of the assets and operations of our business.
- child protection agencies or family support agencies when we reasonably believe that a child is at risk of significant harm.
